RE: Debt Settlement Plan-Corbett for Congress C00502088

Dear Mr. Ritchie:

I serve as campaign counsel for the above referenced committee. This letter is written in response to your recent request for additional information regarding the committee's debt settlement plan received by the Federal Election Commission on May 19, 2015.

The committee is submitting an amended debt settlement plan based on the information you requested. Specifically, the debts owed to creditors now match the report the committee will file this week covering activity through June 30, 2015. Original signatures are affixed to the original plan filed May 19, 2015 and the amounts offered to creditors under the revised plan do not differ from the amounts offered under the original plan.

The original DSP reported \$68,000 in total debts owed by the committee, including \$50,000 owed to SG&A Campaigns. The original DSP was drafted to reflect that the committee originally owed SG&A Campaigns \$50,000, and made payment of \$10,000 in October 2014. Since the committee is not offering any amount to SG&A in settlement, the committee wanted to demonstrate that a good faith effort was made to pay part of the total amount owed to SG&A before the committee concluded it would not be able to raise additional funds to extinguish the debt.

As of June 30, 2015, the committee has cash-on-hand of \$8,675.13. Of that, the committee is offering \$8,119.19 to The California Group. The committee paid \$10,000 to SG&A Campaigns last fall, but is not offering any amount to SG&A in settlement of the \$40,000 currently owed. The remaining \$555.94 will be used to pay our law firm for ongoing compliance and campaign report preparation until the committee is terminated. In addition, \$200.00 of the remaining balance is reserved for a check the committee wrote last year and now needs to void and reissue.

Please do not hesitate to contact me with additional questions.

Very truly yours,
OLSON HAGEL & FISHBURN LLP
